INSIDER'S PICKS

Though New York City fashion editor turned stylist **Danna Weiss** is known for her unerring fashion sense (Molly Sims is one of her perfectly turned-out clients), she also has an eye for beauty products. "Styling isn't just about the clothes," she says. "It's a whole look, makeup included." Here, the things she packs in her styling kit—items that work to make almost everyone look effortlessly chic.

Benefit Bene Tint

"Truly, the only blush that looks totally natural. I love that it's not matte—it gives a dewy, real-looking flush."

\$26, [BENEFIT COSMETICS.COM](http://BENEFITCOSMETICS.COM)

Cover Girl Lip Slides

"Just a light shine with a teeny bit of color. So pretty, and it doesn't look too done." \$3.10, DRUGSTORES

Prescriptives Camouflage Cream

"The best cover-up going. Just dot this on your blemishes and skip foundation. Perfection."

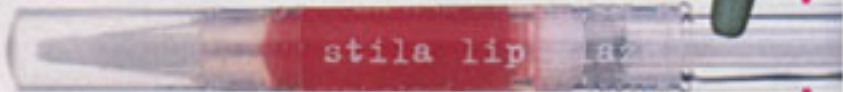

\$16.50, GLOSS.COM

Lancôme Flextonails black mascara

"Makes lashes look a thousand times longer. So dramatic and sexy!"

\$20, LANCÔME.COM

Stila Lip Glaze in Fruit Punch

"These come in the most luscious colors and give high, high shine. Great going-out-at-night lip gloss." \$24, SEPHORA.COM
