Better still, says celeb stylist Danna Weiss, the tapered waistline "gives you an hourglass figure even if you're not a perfect size 6."

New Jacket City

Stars are making the grade this fall in new updates on an old-school classic: the blazer. Actress **Alicia Silverstone** says she recently snagged her sleek, silk Stella McCartney "because it looked hot and spicy." The season's body-slimming jackets—in leather, corduroy and velvet—are the perfect finish to an outfit that starts with trousers or jeans and fit the bill whether you're hard at work or play. Better still, says celeb stylist Danna Weiss, the tapered waistline "gives you an hourglass figure even if you're not a perfect size 6." Which makes it a cut above.
