**t**he Wild Wild West made its way from movie screen to party scene during New York fashion week. The denim jacket was practically a uniform at the shows and attendant parties—Stella Tennant and Kirsten Owen at Mario Testino's book party, Serena Altschul at the *Action* premiere at Moomba, Jane Lauder and Alexandra Von Furstenberg front row at Michael Kors, and Lisa Marie Presley at the Versus party. Western accessories, including cowboy hats and chunky turquoise jewelry, are also making a comeback. But not cowboy boots. This fashion crowd is sticking to something delicate and strappy—AK.
